

The Boucher Institute of Naturopathic Medicine celebrates Canada wide Naturopathic Medicine Week with our signature annual BINM Open House 2010 on Sat. May 8th from 10 AM to 4 PM.

You are invited to 'Celebrate a Decade of Naturopathic Medicine' as BINM marks the beginning of a second decade of quality naturopathic medical education. BINM is western Canada's only accredited naturopathic medical school with the largest public naturopathic clinic in BC.

Featured events include talks about naturopathic medicine, student presentations, displays, give-aways, a children's art area as well as an array of free screening tests in the Boucher Naturopathic Clinic. Enjoy the Product Fair with leading nutraceutical companies and corporate friends displaying the latest formulations and health products. There is something for the whole family.

The Boucher Institute of Naturopathic Medicine is conveniently located in the Columbia St. Skytrain station in New Westminster BC in The Boucher Centre, 435 Columbia St.

Local downtown businesses are invited to become community sponsors of this event by contributing a gift basket or coupons worth \$20 - \$100 to The Boucher Institute. Your local business will be listed in our Open House program as a sponsor and also listed on signage at our reception table. Please contact Alannah Wells awells@binm.org 604-777-9981 for more details.
