

## Student Budget Worksheet

Name: \_\_\_\_\_

Application for Class Commencing: \_\_\_\_\_

### Instructions:

Fill in each of the tables with your approximation of reasonable expenses and projected income for the 48 month duration of the program at the Institute. Please attach this form to your application. Calculate your living expenses on a per month basis then multiply your monthly estimate by 48 months to derive your total living expenses (be sure to include any expenses during the breaks between terms).
